WULFRUN SPECIALISED FASTENERS

Quality Policy Statement

It is the policy of Wulfrun Specialised Fasteners to manufacture products which will continuously conform to customer requirements and expectations in all respects of quality, cost, safety and reliability.

This is achieved through team work and continuous improvement as every employee is committed to continuous hard work.

We offer a training programme that identifies and develops each employee to achieve personal goals that compliment the goals of the organisation in the pursuit of continuous improvement.

To demonstrate our commitment, a quality system in accordance with ISO 9001:2000 and other regulatory requirements is in place. This system is monitored to ensure and improve its continued effectiveness and suitability, and continuously conforms to customer requirements and expectations in terms of quality, cost, safety and reliability. All personnel in the organisation must abide by this system.

Quality objectives are set, monitored and reviewed to achieve the highest customer satisfaction at the lowest internal cost.
